1273. 1792-1811

1274. Bijlagen tot het geloftesignaat, los daarin gevonden en bij het binden verwijderd, 1513-1532. 1 omslag

VOORWOORD

Door toevalligheden is deze index ontstaan. Het was ons bekend dat de Heren H.A.P. van Gessel en Nouwt voor hun genealogisch onderzoek veel informatie hadden uit de Bank van Tuil.

Tot onze verrassing bleek dat zij uit diverse delen alle personen hadden genoteerd met daarbij de vermelding van de folionummers.

Enkele delen waren ook reeds door hen geficheerd.

De Heer van Gessel heeft het complete bestand van aantekeningen aan ons overgedragen onder voorwaarde dat een index gemaakt zou worden om dit archief toegankelijk te maken.

(In enkele delen was reeds een index aanwezig, doch met enkel de vermelding van de comparanten, dus zonder vermelding van de overige belanghebbenden en belendingen e.d.)

Wij zijn er van doordrongen dat ons werk niet foutloos zal zijn.

Het is een ondoenlijke zaak het werk van de Heren van Gessel en Nouwt te gaan controleren.

Bovendien zullen ook wij fouten hebben gemaakt. Voor mogelijke onvolkomenheden willen wij ons excuseren.

Veel erkentelijkheid gaat uit naar de Heren van Gessel en Nouwt en naar de leden van onze vereniging voor het vele werk dat zij belangeloos hebben verricht.

N.G.V. afd. Betuwe.

TOELICHTING

De index is gesorteerd in drie delen t.w.:

- a. Op voornaam.
- b. Op patroniem.
- c. Op familienaam.

U dient bij het doornemen van de index rekening te houden met verschrijvingen.

Als voorbeeld:

U zoekt een vrouwspersoon met de naam IJke. U moet dan nalopen Eike, Eyke, Eijke en Yke met ook de mogelijkheid (ck) en niet te vergeten Aike etc. Ga eerst, voor U zelf, na welke variaties op een naam mogelijk zijn. Dan nog is het verstandig de gehele index door te nemen, want er zijn altijd verschrijvingen waarop U niet hebt gerekend.

De patroniemen en familienamen kunnen weleens zijn verwisseld, dus zoek de patroniem na op familienamen en omgekeerd.

Uit de tekst en aantekeningen was geen onderscheid te maken tussen familie- patroniem- en beroepsnamen.
